

Christian Living Journals

We all know St. Mary of Gostyn Confirmation Program is a two year process. During Grades 7 & 8, candidates prepare for the Sacrament in many ways, including learning to live as a Catholic. We call this Christian Living. Students are required to keep a journal of these activities in both years. On this road to Confirmation, the journal requires 2 Holy Encounters and 4 Christian Service projects each year. How is it going for you? Have you finished the requirements?
